

PLU 5th Annual High School Programming Contest February 2015 Contest Results

The Fifth Annual Pacific Lutheran University High School Programming Contest was held Saturday, February 7st, at the Morken Center for Learning and Technology.

Thirty-two teams registered for the contest with 86 students from 14 schools competing for awards and prizes. More information about the contest (e.g., scoreboard, pictures, and problems) can be found at <http://www.plu.edu/csce/hs-prog-contest/home.php>.

Congratulations to the following teams:

Advanced Category:

1st Place - Skyline High School

(7 problems in 672 minutes)

2nd Place - Mercer Island High School

(7 problems in 700 minutes)

3rd Place – Cleveland High School

(7 problems in 891 minutes)

Novice Category:

1st Place – Nathan Hale High School

(12 problems in 876 minutes)

2nd Place – Lakeside High School

(10 problems in 669 minutes)

3rd Place – Auburn Riverside High School

(9 problems in 592 minutes)

All the winning teams received engraved medals and the top team in the advanced category won a perpetual trophy that is engraved with their names and the name of their high school. The winning team will retain the trophy until September to be displayed at their high school.

The top represented schools were Cleveland (8 teams) and Auburn Riverside (4 teams).
